

AMERICAN FLYER HO CARS

Made in the U.S.A.

AUTHENTIC MINIATURES

DETAILED TRUCKS

N. M. R. A. COUPLERS

No. 33500 TANK CAR. No freight drag is complete without an "old reliable" tanker... and this one is a beauty. 5" long. \$2.98

No. 33501 HOPPER CAR. The backbone of your freight fleet is the dependable hopper, and here's one that carries a load of anthracite. Fully detailed. 4 1/2" long. \$2.50

No. 33502 CATTLE CAR. If you listen hard you can almost hear the steers bawling! Door slides open. Katy markings. 5 1/2" long. \$2.98

No. 33503 DEPRESSED CENTER. When you have a heavyweight load to carry (like the transformer here) this is the car for the job. 5" long. \$3.98

No. 33505 GONDOLA CAR. Has large loading capacity for pipes, machinery or anything else too big for a box car. 5 1/2" long. \$1.98

No. 33508 PIPE CAR. Carry your pipes in style aboard this car that's built for the job. C & O car complete as shown, including a load of pipes. 5 1/2" long. \$2.98

No. 33509 PIGGY BACK CAR. If the HO'ers go for this number the way the big roads have, you'll see plenty of these piggy backs with trailer. This one sports the famous Riss name, one of the biggest in trucking. 7 1/2" long. \$3.50

No. 33510 CEMENT CAR. Complete with 8 simulated roof loading hatches, catwalks, rivets and other detail. 4 1/2" long. \$2.50

No. 33511 TANK CAR. Brand new tanker with 3 doors and famous GULF emblem. Loaded with detail. 5" long. \$3.50

No. 33512 BOX CAR. Old trustworthy — all dressed up in the striking New Haven R.R. colors that are the talk of the railroad world. Sliding doors. 5 1/2" long. \$2.98

No. 33516 ILLUMINATED CABOOSE. A shanty to ride the tail ends of your freights in handsome style. Interior lighting. 4 1/2" long. \$4.50

No. 33517 TANK CAR. Bright, colorful, authentic. That's the word for this Mobilgas tanker that deserves a name on any HO pike. 5" long. \$2.98

No. 33518 CHEMICAL CAR. In this chemical age we live in, a Koppers car like this is a "must". Authentic from top to toe. 5" long. \$3.50

No. 33521 REFRIGERATOR CAR. Get your perishables to market fast in this colorful Northern Pacific reefer with elaborate detail. 5 1/2" long. \$2.98

No. 33522 BOX CAR. Even seasoned railroadmen take a second look when this Boston & Maine beauty rolls by. Doors slide open. 5 1/2" long. \$2.98

No. 33523 BOX CAR. A car especially for bakery goods is the latest wrinkle on the Rio Grande — and this HO job is a perfect scale copy. Doors slide open. 5 1/2" long. \$2.98

No. 33524 REFRIGERATOR CAR. With reefers making up as many as half of some roads, you'll need plenty of variety on your road. This Marrell number is a real dinger. 5 1/2" long. \$2.98

No. 33527 LUMBER CAR. When you're not an HO purist, carrying big lumber aboard a gondola or ordinary flat is just not done. Get the right car for the right job, we say. This one is right for lumber. New Haven R.R. markings. 7 1/2" long. \$2.98

No. 33540 BAGGAGE & CLUB CAR. Long, sleek, detailed. Has interior lighting, NMRA couplers and die-cast trucks. \$4.98

No. 33541 COACH. Minutely detailed with authentic Northern Pacific finish. Illuminated. NMRA couplers, die-cast trucks. \$4.98

No. 33542 VISTA DOME. A real beauty and a car you'll want for your passenger division. Northern Pacific markings; interior lighting, die-cast trucks, NMRA couplers. \$5.50

No. 33543 OBSERVATION. Coolest car on HO rails is this dreamliner observation, with Northern Pacific finish and lettering. Illuminated inside. Has NMRA couplers, die-cast trucks, equalized wheel action. \$5.50

No. 34632 AUTOMATIC RE-RAILER — Greatest HO device ever! Push any HO car through Re-Railer and wheels are automatically put on track. Also re-rolls dragging truck on running train. Includes track section. 60¢

No. 23025 SMOKE CAPSULES — For all American Flyer HO smoke-puffing locomotives. Package contains 12. 1.00

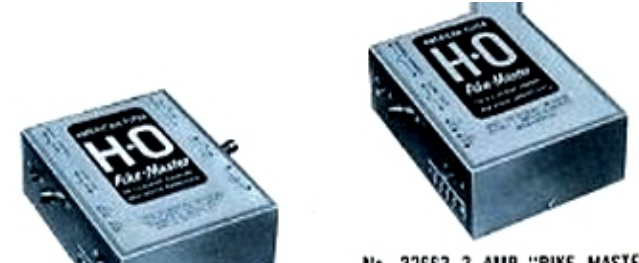

ONE OF THE GREATEST 'HO' ACCESSORIES EVER!

- ALL-ELECTRIC IN OPERATION
- AUTO-MAGNETIC ACTION ADDS REALISM

No. 35759 DRUM LOADING CONVEYOR

One of the finest HO accessories ever made! Action is continuous: endless belt lifts drums to elevated unloader, from which they roll into waiting car. Mechanism concealed in house. Car shown not included. \$9.98

No. 32652 2 AMP "PIKE MASTER" POWER PACK — Reduces 110-120 volt A.C. household current to 12 volts D.C. for train operation and to 16 volts A.C. for accessories. Built-in thermostatic circuit breaker guards against shorts and overloads. Throttle control and reversing switch. 12.98

No. 32654 RECTIFIER — Changes A.C. current from transformer to low voltage D.C. for train operation. 3 amp. output. Has reset type circuit breaker. 3 1/2" high, 4 1/2" wide, 5 1/2" long. 7.98

AMERICAN FLYER HO

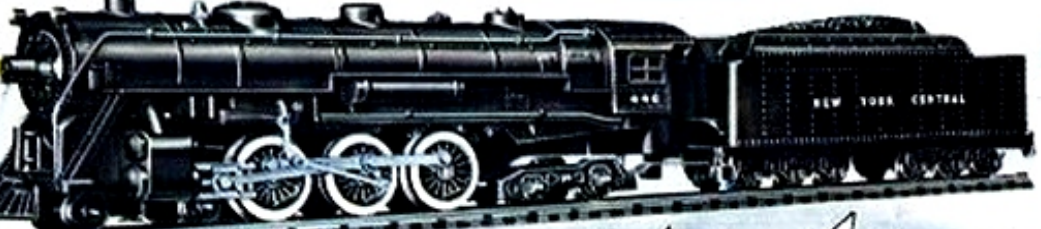

Made in the U.S.A.

AMERICAN FLYER "HO" TRAINS ARE MADE BY The A. C. Gilbert Company, New Haven, Connecticut, U. S. A. Prices, Materials, compositions, etc., subject to change without notice. Printed in U. S. A.

AMERICAN FLYER HO LOCOMOTIVES

Made in the U.S.A.

No. 31004 PENNSYLVANIA SWITCHER — Sweetest coal-burning yard goat anywhere, bar none. With her worm-drive motor she's a real workhorse, too, with plenty of class to take yard abuse. Watch her bustle about on her chores, puffing smoke and sounding off with Choo-Choos and you'll agree there's nothing finer in HO. 9" long. \$24.98

No. 31005 HUDSON LOCOMOTIVE — One of the classic locomotives in the "HO" field is this magnificent N. Y. Central "Hudson". Has powerful worm-drive motor and the most elaborate and authentic detail possible. A thoroughbred through-and-through. 14" long. \$27.50

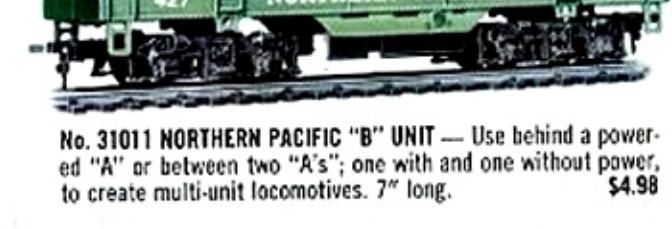

No. 31003 ALCO DIESEL — A handsome — and necessary — addition to any roundhouse! This slick Alco beauty is loaded with power and has new universal ball-and-socket drive: all 12 wheels pull the load! Includes multiple illuminated headlights (4 in front, 2 in rear) plus lighted number boards. An all-purpose loco to handle any freight or passenger assignment with ease. 8 1/2" long. \$22.50

No. 31010 NORTHERN PACIFIC DIESEL (Powered) — Husky GM diesel in colorful Northern Pacific finish. 7" long. \$16.98

No. 31012 NORTHERN PACIFIC DIESEL (Non-Powered) — Same as above, except without motor. 7" long. (not illustrated) \$4.98

No. 31011 NORTHERN PACIFIC "B" UNIT — Use behind a powered "A" or between two "A's"; one with and one without power, to create multi-unit locomotives. 7" long. \$4.98
