AMERICAN FLYER SCALE MODEL TRAINS

S GAUGE

No. 20610 AMERICAN FLYER FREIGHT — "The Dispatcher" All-new work train, crammed with railroading fun! Diesel locomotive has powerful worm-drive motor, Pull-Mor Power for greater speed and climb, plus piercing headlight. Cars include super-long Hopper, Flat Car; operating Crane that lifts timber, locomotives, etc.; and Caboose. Outfit includes 40-watt Transformer with circuit breaker, and 14 track sections. **\$29.98**

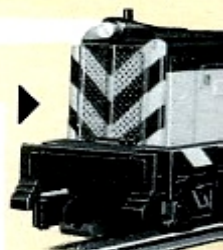

No. 20615 AMERICAN FLYER FREIGHT — "The Thunderbolt" Every car is brand new in this striking freight set that features a smoke-puffing locomotive, N. Y. Central R.R. box car, Borden's milk car, Bethlehem Steel gondola and authentic caboose. Steam locomotive has Pull-Mor Power for extra speed and haul; train starts, stops and reverses by electric remote control. 40-watt Transformer and 14 track sections included. **\$34.98**

No. 20530 AMERICAN FLYER FREIGHT — "The Night Hawk" The train that has everything: classic N.Y. Central "Hudson" locomotive with real puffing smoke, plus choo-choo sound effects, Pull-Mor Power and headlight. Six scale model freight cars include Christmas Tree car, Tank, Pipe car, Box, Reefer and deluxe Caboose. 50-watt transformer has circuit-breaker; 16 track sections. **\$59.98**

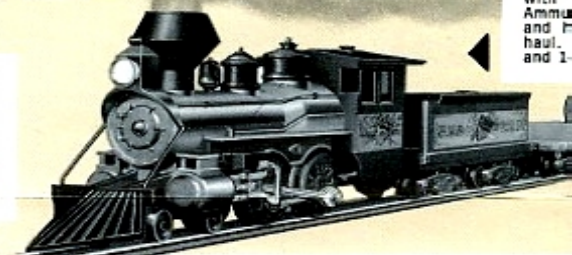

No. 20545 AMERICAN FLYER FREIGHT — "The Pathfinder" Steam railroading at its finest! Giant 16-wheel Union Pacific locomotive puffs real red glowing smoke, has choo-choo sound effects, Pull-Mor Power, worm-drive motor and remote control starting, stopping and reversing. Set includes 8 scale model freight cars, 100-watt Transformer with circuit-breaker, 20 track sections, electric remote control uncoupler and smoke set. **\$74.98**

ONLY \$8.98 worth of Track and Equipment added to a set above* makes Giant R.R. System like either of the

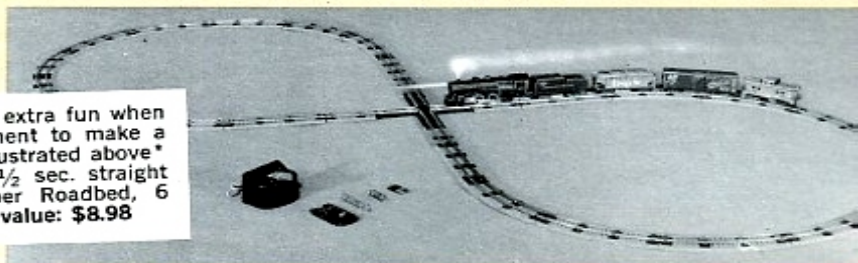

Exciting railroad action: train travels up, over, down, around, up and through twisting fig. 8 trestle layout! To any set shown above just add: 8 curved track, 4 straight track, 26-piece molded Trestle Set, 26 Track Locks. Total retail value: **\$8.98**

*Train Sets No. 20605 through No. 20625

Your American Flyer train provides extra fun when you add enough track and equipment to make a fig. 8 layout like this. To any set illustrated above* add: 6 curved track, 2 straight, 4 1/2 sec. straight track, 1 crossing, 18 curved Fiber Roadbed, 6 curved Fiber Roadbed. Total retail value: **\$8.98**

AMERICAN FLYER FREIGHT — "The Arrow" Real in but size is this scale model freight that has a big locomotive, 3 colorful freight cars, 40-watt transformer with circuit-breaker and 14 track sections. All it up and go; nothing more to buy! Locomotive has sound effects, Pull-Mor Power and worm-drive motor.

ALL TRAINS START, STOP AND REVERSE BY ELECTRIC REMOTE CONTROL

PULL-MOR POWER

Locomotives haul more cars, climb steeper grades, travel at faster speeds with Pull-Mor Power — an American Flyer exclusive.

2-RAIL TRACK

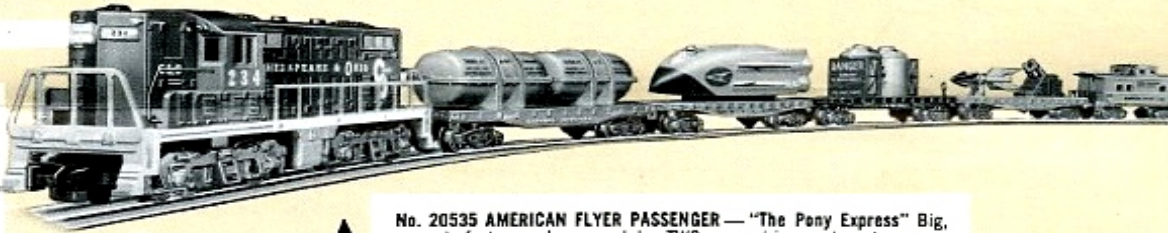

No middle third rail to destroy realism! American Flyer rails are "T" shaped — flat on top for greater wheel traction.

No. 20620 AMERICAN FLYER PASSENGER — "The Chief" All ready to set transcontinental speed records is this streamlined scale model train that features 3 illuminated passenger cars and a diesel locomotive that's equipped with Pull-Mor Power and worm-drive motor. Train starts, stops and reverses by electric remote control. Outfit complete with 50-watt circuit-breaker Transformer and 14 track sections. **\$44.98**

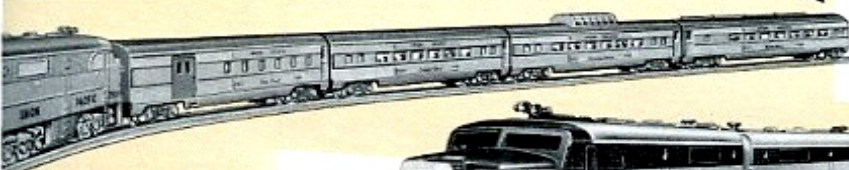

ALL SETS COMPLETE WITH TRANSFORMER AND TRACK — READY TO SET UP AND RUN

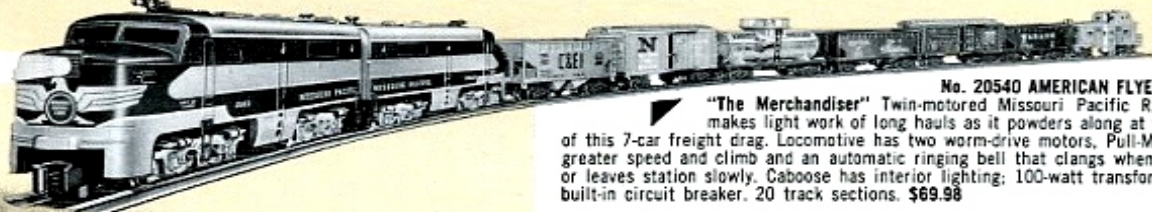

AMERICAN FLYER FREIGHT — "The Defender" Like a Polaris missile is this train that includes new automatic Motorized Rocket sled with pilot car, Jet Engine Transport car and Rocket Fuel car, automatic Ringing Bell that clangs when train enters or leaves station, worm-drive motor, headlight and Pull-Mor Power. Outfit complete with 50-watt circuit breaker, and 14 track sections. **\$49.98**

No. 20535 AMERICAN FLYER PASSENGER — "The Pony Express" Big, rugged, fast — and powered by TWO worm-drive motors to sweep this streamlined beauty up steep grades and along the straight stretches at rocket speed. Automatic ringing bell clangs when train slowly enters or leaves station. Four cars are fully illuminated. 100-watt transformer has built-in circuit breaker; 18 track sections included. **\$69.98**

No. 20540 AMERICAN FLYER FREIGHT — "The Merchandiser" Twin-motored Missouri Pacific R.R. speedster makes light work of long hauls as it powders along at the head end of this 7-car freight drag. Locomotive has two worm-drive motors, Pull-Mor Power for greater speed and climb and an automatic ringing bell that clangs when train enters or leaves station slowly. Caboose has interior lighting; 100-watt transformer included. 20 track sections. **\$69.98**

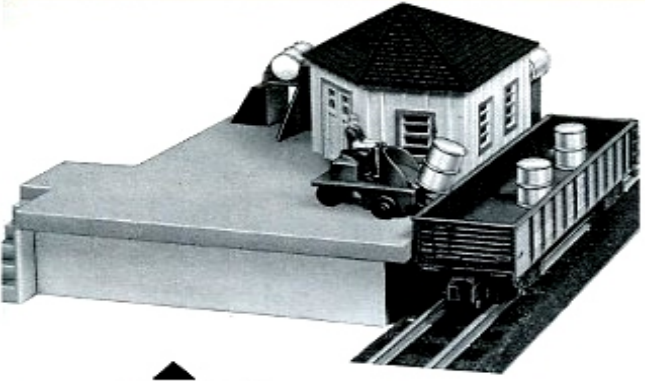

AMERICAN FLYER — "Frontiersman" Like a "Dixie" is this supply train that's complete with Supply & Troop Car and Locomotive puffs real smoke for extra speed and realism. Outfit complete with 50-watt transformer, with circuit breaker, and 14 track sections. **\$34.98**

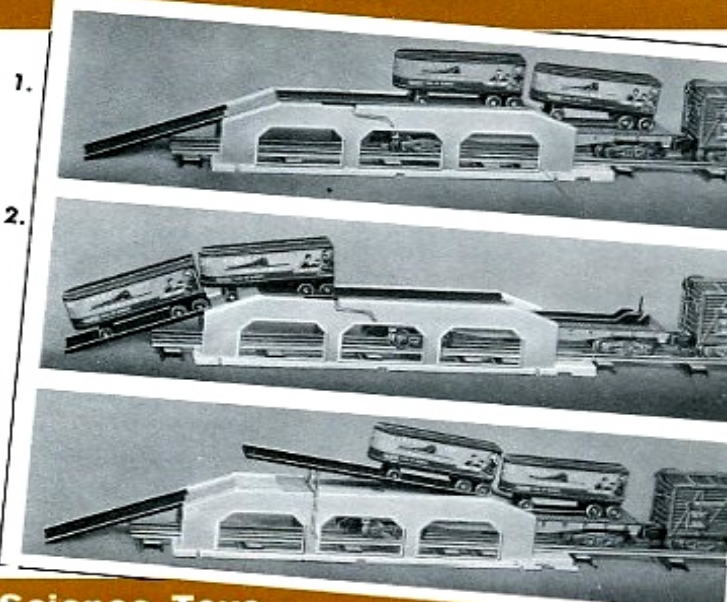

No. 20550 AMERICAN FLYER "Frontiersman" PASSENGER Right out of history rumbles this old wood-burner of the 1860's, smoke billowing from her stack and three plank-sided coaches clanking and swaying behind. Colorful funnel-stacked locomotive has Pull-Mor Power, worm-drive motor and electric remote control operation. 3 cars, 40-watt transformer with circuit breaker and 12 track sections. See your dealer for special price. (Not illustrated) No. 23099 "Frontiersman" — Same as above except without track and transformer. See your dealer for special price.

ACTION ACCESSORIES

No. 23779 OIL DRUM LOADER One of greatest train accessories ever! Louie the Loader collects barrel at ramp, swings around and takes it to car, where he unloads it, then travels back to ramp for another drum. Continuous action. CAR SHOWN NOT INCLUDED. **\$14.98**

No. 23830 PIGGY BACK UNLOADER & CAR Up-to-date railroading fun! Back up flat car into unloader (Pic. 1) and trailers ride up ramp. Piggy Back trailers are taken to street level (Pic. 2). Unloading finished, trailers are pushed up ramp and on to flat car again (Pic. 3). **\$7.98**

ACTION CARS

ROCKET LAUNCHER CAR

EXPLODING T.N.T. CAR

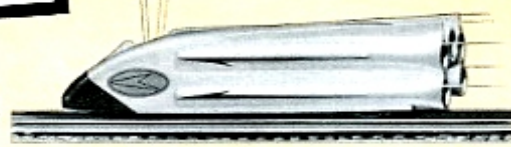

No. 25057 T.N.T. Car — Just press an electric remote control button and this peaceful looking car (left) flies into pieces with an explosive WHOOM! Back together it goes in a jiffy for another fun-filled blast. \$7.98

MOTORIZED TRACK MAINTENANCE CAR

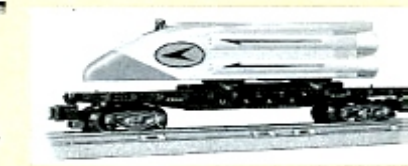

No. 23743 Motorized Track Maintenance Car — Just like the inspection car the real roads use in checking track condition, ties, etc. Fully detailed. \$5.98

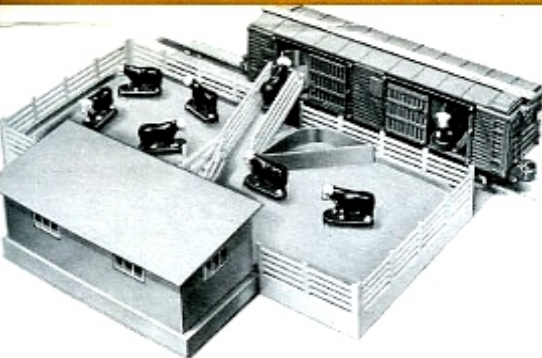

No. 25515 MOTORIZED ROCKET SLED AND CAR — All set for another crack at the world's ground speed record! Five mighty jet tubes "power" this rocket sled that ejects its pilot high into the air by electric push button control. Complete with Flat Car. \$9.98

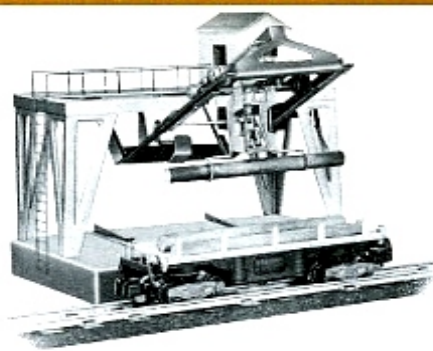

No. 25045 ROCKET LAUNCHER CAR — Push the electric remote control button and rocket blasts off into outer "space". \$7.98

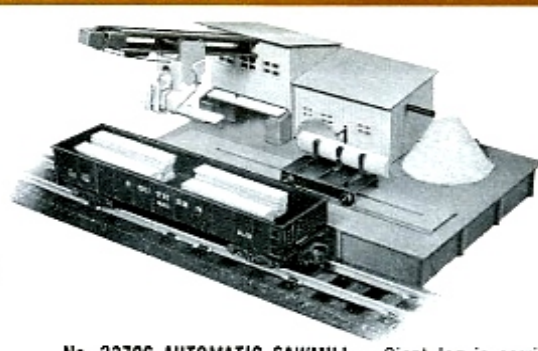

AMERICAN FLYER ACTION ACCESSORIES

No. 23771 OPERATING STOCKYARD & CAR — Cattle mill about in 2 corrals, file up ramp into car when exit gate is opened. Steers unload automatically from car, trooping down ramp into corrals. Startlingly realistic. Complete with action car. \$19.98

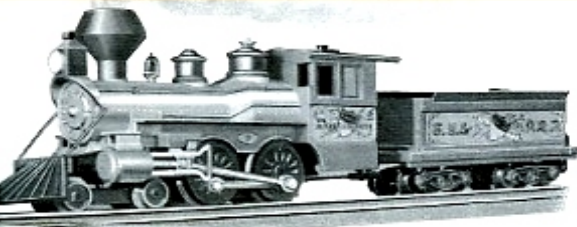

No. 23787 REMOTE CONTROL LOG LOADER — Lumberman picks up log and carries it on hooks to top of loader, from which it drops into car while operator returns for another log. A great accessory! \$17.98

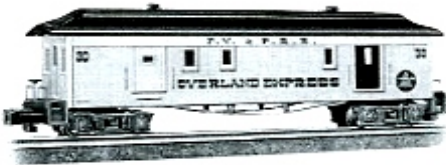

No. 23796 AUTOMATIC SAWMILL — Giant log is carried on track car through big ripping blade and "sawed" into board lumber. At touch of remote control button, lumber is loaded into waiting car by crane operator. CAR SHOWN NOT INCLUDED. \$12.98

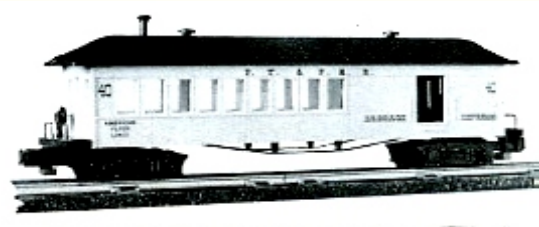

FROM AMERICA'S RAILROADING PAST!

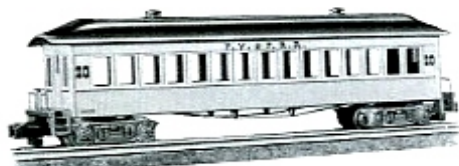

No. 21089 — "FRONTIERSMAN" LOCOMOTIVE — Colorful old woodburner of the Civil War era. Puffs real smoke, has Choo-Choo sounds and Pull-Mor Power. \$20.00

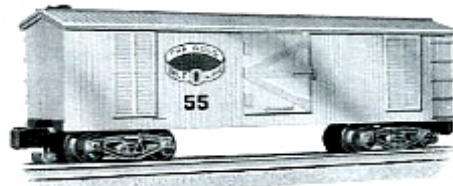

No. 24730 "OVERLAND EXPRESS" BAGGAGE CAR — Has open door for loading shipments. Plank sides; yellow with black lettering. \$4.98

No. 24740 BAGGAGE & COACH — Beautifully detailed and authentic in scaling and detail. Yellow with black lettering. \$4.98

No. 24720 WESTERN COACH — Yellow plank siding with old time block lettering. \$4.98

No. 24055 CIVIL WAR AMMUNITION CAR — Like the cars that carried cannon balls and gunpowder to the front line troops. Full detailing. \$4.98

No. 24565 CANNON CAR — This is the way old muzzle loaders were carried to the battlefield during the War Between the States. Complete with removable sides and cannon that actually fires harmless pellets. \$4.98

AMERICAN FLYER Safety-First TRANSFORMERS

No. 22020 TRANSFORMER WITH CIRCUIT BREAKER. Has 50-watt rating, 115 volts, 60 cycles, A.C. Three binding posts. \$8.98

No. 22030 TRANSFORMER WITH CIRCUIT BREAKER. Rated at 100 watts, 115 volts, 60 cycles, A.C. Has both fixed and variable voltage, 3 binding posts. \$11.98

No. 22035 POWER CONTROLLER WITH CIRCUIT BREAKER. 175 watts, 115 volts, 60 cycles, A.C. new type re-set circuit breaker; no cool-off necessary. Directional locomotive switch. Vertical easy-wire terminals! \$16.98

No. 22090 DUAL UNIT POWER CONTROLLER WITH CIRCUIT BREAKERS. 175 watts, 115 volts, 60 cycles, A.C. Run 2 trains at different speeds. Thermostatic re-set circuit breaker eliminates cool-off wait. Locomotive directional switch.
